Contractor - Regarding Cooperation Between Contractors PSP - TAP M016-029 (20558), Pagosa Springs Harman Trail Ph 1&2 (Piedra Rd./Harman Park Dr. and US 160 Intersection (MP 140.87) and US 160 MP 140.5 to MP 140.8

Q: Can you provide further information regarding the Harman Hill Project?

A: The project is slated to be advertised by the Town of Pagosa during January or February of 2023. Work will occur within the summer of 2023 at the Piedra Rd and Harman Park Dr. intersection of US 160. Scope of work will include ADA ramps, curb and gutter, HMA patching, preformed thermoplastic pavement markings and ped pole installations. This project (23505R) will require robust coordination with whomever is awarded the work of 20558.
