

**McCaslin Boulevard Traffic Restrictions  
Aug. 7-10**

As part of the US 36 Express Lanes project, there will be restrictions on the McCaslin Boulevard bridge on Friday, Aug. 7, at 9 p.m. through Monday, Aug. 10 at 5:30 a.m. for construction on the Diverging Diamond Interchange. Northbound and southbound McCaslin Boulevard will be reduced to one through lane of travel across the McCaslin Boulevard bridge over US 36. The off-ramps will also have one lane restricted. There will be no through movement from the westbound US 36 off-ramp to the westbound US 36 on-ramp (shown in red). Northbound and southbound turns will be allowed as motorists exit at both ramps (shown in green). Delays should be anticipated. Traffic control will be on-site to guide the traveling public.

For more information, visit [www.us36expresslanes.com](http://www.us36expresslanes.com) or call the project hotline at 303-404-7042.
